

GAS WELDING HOSES
PVC BRAIDED / THERMOPLASTIC RUBBER / RUBBER

RED / BLUE

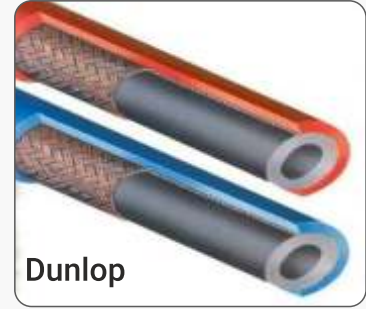

PVC Braided welding

Thermoplastic Welding - Indian

Thermoplastic Welding - Yasung Korea

Dunlop

Premium Welding Rubber Hose
 IS 447 : 1988

Structure:

PVC BRAIDED (RED/BLUE) GAS WELDING HOSE. (LIGHT / HEAVY)

Made out of PVC compound and reinforced with nylon non twisted yarn. An economical option, although light and rigid in nature.

THERMOPLASTIC (RED / BLUE) GAS WELDING HOSES. INDIAN /IMPORTED BRANDS.

Made out of grade PVC blended with synthetic rubber and reinforced with polyester yarn for better flexibility working pressure and service life.

DUNLOP PREMIUM WELDING RUBBER HOSE

Synthetic PVC Nitrile Tube

Textile Reinforcement.

Abrasion and weather resistant cover Red / Blue

Applications:

Oxy - acetylene welding and cutting equipment in any industry.
